…Respondents

HON'BLE SRI JUSTICE V.V.S.RAO

WRIT PETITION No.12200 of 2007

ORDER:

The petitioner allegedly purchased land admeasuring Acs.6.93 cents in survey Nos.22/1 to 6, 21/2, 15/2 situated at Appambhattu Village, Pitchatoor Mandal, Chittoor District. The petitioner's land is approachable by a cement concrete (CC) road leading to Pitchatoor. It appears, the State has constructed a flyover for the highway traffic leading to Chennai and old CC road was left open. It is alleged that the land admeasuring 0.87 cents, which was earlier CC road, is being allotted as house sites and to that effect, a notice was displayed in the office of the third respondent on 26.05.2007. Therefore, he filed the instant Writ Petition.

The grievance of the petitioner is that the land, which formed part of CC road, is being assigned as house sites, in which event, he would be denied of access. To prove such a statement, the petitioner is required to demonstrate before this Court that indeed there is a proposal like that, that a notice was proposed and that he had no other access to his land by filing an appropriate field measurement book or village map. None of these were annexed to the Writ Petition. Based on the averments made in the accompanying affidavit, the Writ Petition cannot be entertained. If the petitioner has any grievance, he may approach the District Collector for appropriate relief.

The Writ Petition is accordingly dismissed. No costs.
